INFORMATION ON THE INSTITUTION

List of Degree Programs Offered

1. Undergraduate Medical Education

Potential students must be a high school graduate or an equivalent institution. The students that are accepted into the Faculty of Medicine as a result of the ÖSS (Student Selection and Placement Examination) must take responsibility to ensure that their place that they deserve has been reserved. In order to reserve your space in which you have been awarded, you must register.

Our University Rector decides on the dates of registration. The following documents are needed in order to register as a student of the Faculty of Medicine:

Required documents needed for registration:

The Student Selection and Placement Exam (OSYM) results.

An original copy of high school diploma or a recently signed graduation certificate.

Certified copy of the candidates ID card.

Certificate showing where the candidate currently lives.

For male candidates who were born before 1982, a certificate (obtained from the military recruiting office) showing their compulsory military service status. For those that were born after 1983, this certificate is not required.

12 photographs (4.5 X 6 cm). Photographs must have been recently taken (within the last six months) and from the frontal view. The head must be uncovered and must be taken in such a way that anybody can easily recognize the candidate.

Deposit slip from the bank showing that the student has deposited a portion of their tuition.

2. Postgraduate Medical Education

a. Masters Degree
b. Doctorate Degree
c. The education of proficiency in medicine
